

BASICS Scotland

Director of Education

Based in Aberuthven, Perthshire

Salary: Negotiable, based on experience 23 Months Fixed Term Contract (minimum 1 day per week)

BASICS Scotland was established in 1995 to provide high quality immediate care training to health professionals in Scotland. We provide a variety of educational courses including pre hospital emergency care courses, pre hospital paediatric care courses, major incident courses and tele-education courses.

BASICS Scotland receives funding from NHS Education Scotland (NES) to provide immediate care courses to health professionals working in remote and rural areas of Scotland.

We are currently looking to recruit a Director of Education to work 1 day per week. This post is for a fixed term of two years. The post holder will have specific responsibility for the development of new educational activities, as well as the ongoing review of BASICS Scotland's current education and training activities. Skills and experience required for this post include:

- Postgraduate educational qualification
- Substantial postgraduate experience and will have held enhanced responsibility in an education or healthcare post
- Experience and understanding of educational quality assurance and the education sector in the UK
- Experience in teaching and development of educational material
- A record of research and publication activity
- Knowledge of educational theories and their application
- Knowledge of Remote and Rural Healthcare
- Knowledge of the structure and organisations tasked with healthcare provision in Scotland
- It is desirable, but not essential that the applicant should be a registered Nurse, Paramedic or Doctor, or have experience of providing education or training to GP's or other healthcare professionals.
